Dear Friends and Family,

I am preparing for a missions trip to Nigeria, West Africa sponsored by Living Hope Christian Ministries. After much prayer and consideration, my desire remains to be a part of this great mission ministry.

The need for kingdom building and medical care is great in Africa. While we are there, we will provide evangelistic outreach, medical and optical services, and conferences for pastors and leaders. We will also spend time in cooperative worship with several congregations.

I am asking for your financial support as well as your prayers. The cost of the trip to Nigeria is \$3700 and must be received by May. The cost will cover your visa, airfare, inland transportation, lodging, and food. If God leads you to provide financial support, please make your check or money order payable to:

Living Hope Christian Ministries
12700 Hillcrest Road, Suite 254
Dallas, Texas 75230

Your prayers are also very important to me. If you are unable to support me financially, please continue to pray that God will use me to touch many lives.

If you need more information concerning this trip, please call 972-726-9981 or email sacho@livinghopeministries.us.

Thank you for your love and prayers.
